

FY 2025 Reasonable Progress Update: October 31, 2024

Policy on Reasonable Progress

Lack of progress in developing and implementing projects using federal funds suballocated to the St. Louis region can lead to project delays and create financial risks for both local and state transportation programs. The East-West Gateway Council of Governments (EWGCOG) Policy on Reasonable Progress was implemented to ensure projects are progressing, meeting milestones, and obligating federal funds on schedule.

Local projects in Missouri with federal funding programmed in Fiscal Year (FY) 2025 of the FY 2025-2028 Transportation Improvement Program (TIP) are subject to a September 30, 2025 deadline to obligate the federal funds, unless approved for a schedule extension. To obligate funds, a sponsor must obtain approval from the Missouri Department of Transportation (MoDOT) for a specific milestone. Generally, a project must meet three milestones before construction or implementation of a project may begin: approval of design contract (PE), approval to acquire right of way (ROW), and final plan approval/authority to advertise (CONST/IMPL).

If a project is realizing delays that will put the federal funding at risk of forfeiture (i.e., not meet a September 30 deadline), the project sponsor will have the opportunity to request a "one-time extension" of their project schedule. The request for an extension is only available for projects with construction funds programmed in the current fiscal year and is due by June 1, 2025. One-time extensions of up to three (3) months may be granted by East-West Gateway staff and one-time extensions greater than three (3) months, but not more than nine (9) months, will go to the Board of Directors for their consideration and approval. If the project still cannot obligate funds after the one-time extension or the sponsor decides not to proceed, funding will be removed from the TIP, and the federal funds associated with those projects will be returned to the regional funding pool for redistribution without further action by the board.
